

## **Dan Buescher**

I would like to serve on the Board of Directors because I am passionate about progressively growing our community while remaining fiscally sound. I would like to continue to provide activities for all demographics in SunBird. I am open minded and willing to listen to both sides of any story. I will be focused on SunBird's continuous improvement.

I am a full-time resident active in Pickleball, horse racing, corn toss and car club. My wife and I chair the annual Alzheimers PickleBall Charity Event held in SunBird. I am always available to lend a hand to the HOA or residents needing assistance. I regularly use the fitness room, pool, enjoy socializing in the Horizon Room and recently started to participate in the challenging game of golf!

I had a successful small business background in the Seattle area prior to my retirement. I am proud of this community and I have influenced friends to purchase homes in SunBird. I consistently support the use of the Horizon Room to provide food & refreshments for any event (family or club) that we host in SunBird in order to assist in fiscal responsibility.

I look forward to serving our community in this capacity.
