

Come and Join us for some fun on the courts!

Sunbird Pickleball is a great way to stay active, make new friends and increase your skills on the court.

The Pickleball Club has a new glass case in the breezeway across from the Post Office. Look for the two Pickleballs on top of a case. In the case you may sign up for New Player orientation, or you may sign up for a social court. You will find interesting Pickleball news as well as play times and format for play. (You can take the hours for play home with you!)

New Player orientation - We will coordinate a time when we have a few participants that want to try it out. Court shoes are required, you will be asked to sign an HOA waiver. We supply paddles, balls and nets for the first week that you play, after that you need to bring your own paddle.

The first club meeting is Saturday November 10th at 12pm on the courts. Please make every effort to attend so that you know how to rotate, sign out courts, etc.

Fee to join the club is \$20, which includes balls and nets.

Have questions? Feel free to call or text Dan and Marianna Buescher for information: 480-285-4501, email is good too mariannabuescher@gmail.com

Happy People Play Pickleball!!!!
